

September 20, 2019

Good Day

Don Jones is calling a short meeting on October 18th, Friday night during Fall Conference to over some business. It will start at 7pm at Post 35.

Also if I do not have your per capita and chapter fee for 2019-2020 to be by the meeting your chapter will not have voting rights. I know it has also been an issue with Diana Estrada's computer. So please help and bring these with you or send them in. Thank you to ones who have done it already.

We still have challenge coins to be sold. If a chapter would like to have some to sell, they must prepaid for at \$10 a coin. They are really nice and they are fun to have to exchange with other riders.

For God and Country
